Updates From the Mayor

July 2026

- The first public meeting for the NY Forward Grant is scheduled for Thursday, August 20 from 5-7pm at the Marcellus Free Library. Please visit the Village website, www.villageofmarcellusny.gov for the most up to date information regarding the NY Forward planning process and meeting schedules.
- DPW has been trimming trees along the streets and sidewalks in the Village.
- There has been an increase in grease accumulation at the WPCP during this past month- please dispose of F.O. G.'s properly to keep our plant working efficiently!
- Asset management pilot program with the DEC is still underway for the WPCP and collection system.
- The summer Newsletter was sent out to Village Residents, extra copies can be found at the Village Hall, Town Hall, and Library.
- Smoke Testing for the Village/Town Sewer Collection system is scheduled for Aug 24-Aug 28.
- Slip lining of Flower Lane is tentatively scheduled for September. More info will be available for affected residents as the time gets closer.
- Sections of First Street, Kelly Ave and tentatively Reed Street are scheduled to be paved this summer.
- Green Gateway pavilion and ADA compliant fishing access projects are still a work in progress. Bear with us as the projects get closer to installation.
- Last pickup for Summer Brush is August 3rd. The compost area behind the Village Hall is available to Village residents 24/7 for yard waste drop-off. If bagged, only paper lawn/leaf bags please. Also, please do not sweep yard debris into the road. This often causes storm sewers to become obstructed and creates serious hazard for motorcyclists.
- Village DPW and Town DPW have been working together on various projects this summer.
- SRO Contracts with the Marcellus, Onondaga, Tully and Lyncourt School Districts have been negotiated and signed by all parties concerned.
- Compost Project – compost continues to be available for residents, on a first-come-first served basis, and if any residents cannot pick up compost during normal business hours, please call the Treatment Plant (315-673-4491) to make an appointment with one of the operators. The operators are available to answer questions and to help load compost for residents.
- Summer Concerts in the Park – A series of summer concerts are held during June, July and August at Marcellus Park Annex Pavilion, Thursday nights from 7 – 8:30 p.m. They are free and appropriate for the entire family. A full list of concert listings and other events and programs is available on the Town website at Marcellusny.com or call the Marcellus Parks and Recreation Department (315-673-3269, ext. 2) for more information.
- July is usually Battery Collection Month, however, OCRRA discontinued this program several years ago. Household batteries can be dropped off locally at Nightingale's Mills on South Street Road without charge. For information and guidance regarding disposal of batteries and/or any other items (including F.O.G.'s), please visit the "How do I get rid of…?" search engine on the home page of the OCRRA website.
